

October 21, 2021

Dear Religious Education Parents of children in Sacramental Years. (Grades 1, 2, 7 & 8)

The cases of Covid-19 in Mercer County seems to be low at this time and we are hoping that this will continue.

Beginning the week of November 15, 2021 we will start our Religious Education Program in-person classes, here at St. Gregory the Great School for the Sacramental Students.

Your child has already received their Class assignment and Catechist name on the front of his or her folder or envelope.

We also know that some are still concerned about sending their child in to a classroom situation.

We would ask you to send us a letter or email requesting that your child would remain online until the end of the program. **No switching** in and out of in-person and online will be allowed. **This request must be received before November 5, 2021**

***First Class Monday November 15, 2021
 Wednesday November 17, 2021***

These continue to be difficult days for all of us. Your continue cooperation is much appreciated.

You will receive instructions when we are closer to the starting date of Monday, November 15, and Wednesday, November 17, 2021. ***Your child will received material on the first day of class.***

Sincerely,

Sr. Carolyn
