Dear 7<sup>th</sup> Grade Religious Education Parents

We have received some inquiries about next year (2022) Confirmation.

Currently we have no date for Confirmation, we are waiting for our date from the Bishop's office.

But I'm sure you, as I would like to get ahead of some of the requirements. Attached (3 pages) you will find the Confirmation Name and Saint Research outline, guidelines for Service Commitment and Service Hour Log to record your hours.

Please read the attachment well and sign when appreciate. When I receive a service request from a Church related organization I will e-mail it to you. During the summer months there are many activities available, which will not interfere with school.

In early September a meeting with parents will take place to direct us through the rest of the year.

A reminder that all Gospel Weekly assessment must be completed and handed in by May 21, 2021 to receive Credit for the year.

Blessings

Sister Carolyn
