Canned Soup Collection

to support Mt. Carmel Guild

Drop off at Knights' tent or Food Collection Bins!

We'll be in the Gathering Space to collect

February 11 & 12

Once the holidays have passed and winter arrives full blast, the Emergency Food program at Mt. Carmel Guild faces increased need in serving those with food insecurity. Soup can help by providing a nourishing “meal in one.” Take advantage of the “Can Can” sales at the grocery store in January and begin collecting cans of soup. Members of the Social Concerns Ministry will be on hand the weekend of **February 11-12** in the Gathering Space before and after all Masses to receive your soup cans or monetary donation. All cans of soup brought to the Knights' tent on Saturday mornings (9am-11am) leading up to February 11, or dropped off in the collection bins in the Gathering Space will be counted. Cans with easy open lids and/or low salt soups are especially welcome. For safety and ease of transport, please avoid any glass containers or cardboard cartons. Last year we collected over 1,200 cans—let's see if we can do it again! Any questions? Please contact Lauri Harbison at harbisonla@gmail.com.
